

FACTS TUITION PAYMENT SYSTEM

Newly enrolled families, who will not be paying tuition in full before September 1, will need to set up an account in the FACTS Tuition Payment System.

The FACTS system allows you to spread the cost of tuition across 10 months. There are three options for payments made to FACTS

- Automatic withdrawal from bank accounts
- Credit card (there is an additional monthly fee)
- Check payable to FACTS

If you were enrolled in the FACTS Tuition Payment System for the 2014-2015 school year, your account has already been renewed for the 2015-2016 school year.

Your current balance should reflect your child's/children's tuition plus the following, if applicable:

- \$20.00 - 2nd Grade Sacramental Fee (per student)
- \$120.00 - 8th Grade Confirmation & Graduation Fee (per student)

There is also a **\$100.00 - Book & Technology Fee (per student)** that must be paid, on or before the first day of school. This does NOT get rolled into your FACTS account balance.

If you have questions regarding your balance within the FACTS system or on how to register, please contact the school office for assistance: (630) 629-0536.
